

Impact Initiative of the Year (2020): The award was issued by Environmental Finance as part of its Sustainable Investment Awards 2020 and received in 2020 for the Jupiter transaction.

A judging panel consisting of Environmental Finance's editorial team and industry participants reviews submitted entry materials as part of a structured evaluation process. Entries are submitted via the awards platform and require nominee information, a summary of merits, and supporting detail demonstrating why the nominee is worthy of recognition. Submissions are assessed based on the extent to which ESG factors are integrated across investment processes, the quality and impact of implementation, and alignment with broader sustainability objectives, including the Sustainable Development Goals.

Newmarket Capital submitted information as part of the award nomination process. Third-party awards and recognitions are not indicative of future performance and may not be representative of any one client's experience.
