

Private Securitization Deal of the Year (2021): The award was issued by *GlobalCapital* as part of its GlobalCapital European Securitization Awards 2021 and received in 2021 for the Boqueron transaction

The winners of the European Securitization Awards are decided based on a two-stage poll of market participants. During the first stage, market participants are invited to put forward themselves, their colleagues, their clients or their peers to be shortlisted. Using these nominations, the GlobalCapital editorial team compiles a shortlist in each category. This is then opened to voting by the market to determine the winners.

Newmarket Capital submitted information as part of the award nomination process. Third-party awards and recognitions are not indicative of future performance and may not be representative of any one client's experience.
